Happy 5<sup>th</sup> Birthday Naomi May 2!

We will be having 8 sessions of Sportball starting Tuesday May 1<sup>st</sup>. Each week the children will be introduced to a sport such as soccer, baseball, hockey etc. They do a warm up, learn some vocabulary, use equipment and play games related to the sport of the week. It is fun and non-competitive. There will be two groups, 9:15 to 9:45 and 9:45 to 10:15. Once we post the groups, please have your child here at least 5 minutes before the class starts. *Because the coach explains the activities and rules for the*

*session, if your child is late he/she will miss the class.* Please have children in sneakers and comfortable clothing.

Soon it will be sunscreen season, so please put sunscreen on your child in the mornings. On hot sunny days, we will reapply in the afternoon. Please have sunscreen and sun hats at daycare. Last year's sunscreens are stored in the cupboard above Jack and Grace's cubbies. Please check for expiry.

Starting April 25<sup>th</sup>, some very nice gardeners from the community garden next to the daycare will join us in our garden to help us plant. Instead of organized science/math activities, the children will learn hands-on in the garden (weather permitting).

On Friday May 18<sup>th</sup>, we will walk to Kitsilano Library for a story time with Kelly the children's librarian. We will leave the daycare at 9:30. Please have your child dressed for the weather and in comfortable walking shoes.

On May 29<sup>th</sup> from 5-5:45, Josie will have a prekinder information meeting for parents of children born in 2014 which will our prekinder group this September. A sign up will be posted the week before. Please sign up if you are able to attend. We will only have the meeting if 6 or more families will be present. You can leave your child at the daycare while attending the meeting.
